## September News

Welcome back to the new school year! This is our first week with all of the children together in the classroom, for their full amount of time. Transitions are harder for some than others, so we are all staying patient with the process. Just the same, it is exciting to see how quickly everyone is settling into the routine of school. We appreciate all of your support as we work to acclimate your children to the classrooms.

Our staff research this year is focused on Communication and Collaboration. In hopes of keeping you up-to-date, I am working to send out shorter, more frequent newsletters. As always, my door is open. Feel free to stop by and let me know what you think. Too busy to stop by, send an email or pick up the phone. I am always eager and delighted to get to know all the families in our community!

### Nanny needed

The Spader family is beginning a search for a loving, experienced, energetic nanny for our 5.5-

year-old daughter and two-year-old son. The position is based in Congress Park and generally requires 40-45 hours a week. Our current nanny is transitioning into her post-grad-school career, so we are open to having someone start asap or anytime this fall. If anyone has a lead, please contact Erin Roeder at [erin.roeder@gmail.com](mailto:erin.roeder@gmail.com) / [617-947-5059](tel:617-947-5059). Thanks so much.
